Best Sun

Tinseltown loves a tan. Get yours
sun-sational SPF and self-tanning

JENNIFER GARNER

As a Neutrogena brand ambassador, Jen is wise in the ways of sun protection. Her sheer white cover-up won't protect her from burning, but the sunscreen she wears at right sure will!

Sunscreen For Body

Neutrogena Wet Skin Sunblock Spray SPF 30, \$11, drugstores

WHY IT WINS: Damp skin? Don't sweat it! This genius sunscreen can be applied to wet skin, so swimming and sports will never again stand between you and your sun protection. Also available in SPF 50 and SPF 85.

WHO USES IT: Jennifer Garner

SPF Moisturizer

Peter Thomas Roth Clinical Skin Care Retinol Fusion AM Moisturizer SPF 30, \$78, peterthomasroth.com

WHY IT WINS: Streamline your morning skin-care routine with this must-buy moisturizer. The hydrating all-in-one product has SPF 30 to prevent future damage and time-release retinol to reverse past damage. What more could you ask for?

WHO USES IT: Bravo's Andy Cohen

Self-Tanner For Face

Dr. Dennis Gross Alpha Beta Glow Pad, \$32 for a pack of 20, sephora.com

WHY IT WINS: Slough and sun simultaneously with these magic pads; they cleverly combine exfoliating alpha and beta hydroxy acids with self-tanner.

WHO USES IT: Celeb makeup artist Mark Payne, whose clients include Paris Hilton and Kelly Ripa

Products

the safe way with these products.

Sunscreen For Face

Coppertone Oil Free Foaming Sunscreen Lotion SPF 75+, \$10, drugstores

WHY IT WINS: It seems like a strange thing to say, but applying this sunscreen is actually kinda fun. The fluffy, oil-free formula goes on easily and weightlessly, leaving you with no icky residue — and no excuse not to wear it.

WHO USES IT: Celeb hair and makeup artist Jim Crawford, whose clients include **Jill Zarin** and **Rashida Jones**

SPF Lip Balm

Softlips Replenish Lip Protectant/Sunscreen SPF 20, \$3.50, Target stores

WHY IT WINS: We're always in pursuit of the perfect lip balm: one that keeps lips moist for hours, offers the slightest sheen, tastes sweet but not cloying and protects us from the elements. With this simple, slim tube, the search is over.

WHO USES IT: Celebrity makeup artist Belinda Moss, whose clients include **Gisele Bündchen** and **Mariah Carey**

Self-Tanner For Body

Fake Bake Flawless Self-Tan Liquid, \$24, fakebake.com

WHY IT WINS: Sometimes just the memories of orange palms are enough to stop us from self-tanning. Thank goodness this fast-drying liquid comes with a palm-protecting mitt for an easy and even application.

WHO USES IT: **Hilary Duff** and **AnnaLynne McCord**

ANNALYNNE MCCORD

There's no fun in the sun unless you feel comfortable in your swimsuit. The 90210 actress applies this self-tanner at left on her body to get a golden glow before she hits the beach.
