TRENDING NOW! GENLUX BEAUTY EDITOR CAMILLE CLARK

Skin is in! Keep it fresh, beautiful, healthy, and glowing. Lots of eye and lip color is very big this season.

BEST EYE COLOR

CAMILLE CLARK, GENLUX BEAUTY EDITOR, ON THE SEASON'S MAKEUP TRENDS

A bright pop of liner on the eyes or a sheer wash of color all over the lid is a fresh and fun look. For evening, metallics on the eyes are gorgeous, but skip the heavy and dark eyeliner and go for lush lashes instead. Stick with waterproof and water-resistant formula mascara and eyeliner.

L'Oreal Voluminous mascara, \$7.50, cvs.com

ACNE AWARENESS MONTH

Keep your skin healthy by choosing a good cleanser and sunscreen. Look for formulas that fit your skin type. If you suffer from breakouts, your skin can be even more sensitive this time of year. Keep this in mind when choosing products. June is acne-awareness month.

TOP 5 TIPS FOR A NATURAL SUMMER GLOW:

- 1. Exfoliate!** Face/body three times per week
- 2. Moisturize!** Morning and evening (for day, choose a light-textured spf lotion for face and body)
- 3. Mask!** Put on a mask once a week to keep pores unclogged from all the extra sunscreen used this time of year
- 4. Remove!** Take off all traces of makeup before bed (a must!)
- 5. Hydrate!** Drink plenty of water to keep your skin well hydrated
